## WANG'S BOGUS REGIME DIFFICULTIES

### Further Delays Prevent Inauguration

CHUNGKING, Jan. 31 (Cent. U)—In view of the worsening of Japan's relations with Great Britain, the United States and the Soviet Union the Japanese may further delay the inauguration of the bogus Central Government under Wang Ching-wei, which has been set for Feb. 22, competent observers predict.

It is recalled that the establishment of the bogus Central Government was first scheduled to take place last Oct. 10, China's Independence Day, and was postponed to Nov. 12 and then Jan. 1 on account of the unfavourable international situation and the opposition of Wang Keh-min and Liang Hung-chih, respectively heads of the puppet regimes in Peiping and Nanking.

The new inaugural date of Feb. 22 was fixed at the recent Tsingtao conference.

#### "NATIONAL CONGRESS"

The process for the organisation of the bogus Central Government was laid down between Wang Ching-wei and Sadaki Kagesa. It provides for the convocation of a "National Congress" of the bogus Kuomintang as the first step and the formation of a so-called "Central Political Council" as the second step. The bogus Central Government will be created by the Central Political Council.

The "National Congress" of the bogus Kuomintang was convened by Wang Ching-wei in Shanghai last August. To discuss the organisation of the "Central Political Council" Wang Ching-wei had a conference with Wang Keh-min and Liang Hung-chih in Nanking last September which ended unsuccessfully.

#### TSINGTAO TALKS

The same issue was discussed at the recent Tsingtao conference. It is said that during the conference Wang Keh-min and other members of the "Provisional Government" signified that they would not join the bogus Central Government.

The expose of the secret agreement between Wang Ching-wei and Japan by Kao Tsung-wu and Tao Hsi-sheng, erstwhile followers of Wang Ching-wei while the Tsingtao conference was in progress added further obstacles to the discussions.

Though convocation of the "Central Political Council" has now been scheduled for the middle of February and the formation of the bogus Central Government on Feb. 22, there is much doubt if the plan can be realised.

## Important Fighting On Finland's Waist-line

LONDON, Jan. 31 (Reuter)—It is announced by the Finnish General Headquarters in the Central Northern Front that Finnish soldiers are facing some 20,000 Russians in the new battle raging to the north of Malmi on Finland's waist-line.

It is regarded here as the most important fighting in this sector since the Finnish victory at Suomussalmi.

Kuopio is to the south of Suomussalmi and is about 30 miles from the Russian frontier.

#### DESPERATE ATTACKS

HELSINKI, Jan. 31 (Reuter)—The Red Army is still continuing to make desperate attacks on the front to the north of Lake Ladoga.

Troops now employed in this sector are said by the military authorities to be the best Russia has sent forward since the beginning of the war. They are daring, well-equipped and strongly armed. A series of surprise attacks have put the Finnish troops into difficulties.

## Mexico Will Pay For Expropriated Properties

### STATEMENT BY CARDENAS

MEXICO, CITY, Jan. 31 (Reuter)—President Cardenas has issued a statement denying the claims by foreign oil companies that Mexico is not entitled to expropriate the industry because she did so knowing that she is unable to pay adequate and prompt compensation. The President adds that there are no grounds for international arbitration on the expropriation issue "which has been concluded and must stand."

President Cardenas insists that Mexico had always announced her intention to pay and will pay for expropriated properties, but not "at the exaggerated figure claimed by the affected interests."

## HITLER STILL FIGHTING LAST WAR—NEW YORK TIMES COMMENT ON LATEST SPEECH

LONDON, Jan. 31 (REUTER AND EWS)—HITLER'S SPEECH LAST NIGHT FAILED TO PRODUCE ANY GREAT IMPRESSION IN BRITAIN OR ABROAD. AUTHORITATIVE CIRCLES POINT OUT THAT THE GREATER PART OF IT WAS DEVOTED TO ARGUMENTS NOW THREADBARE.

"We may well be satisfied to find ourselves the special objects of his abuse. Each shriek of it betrays the dread of British power and consciousness of inferiority in the contest which he provoked and on which he has staked his all."—DAILY TELEGRAPH.

"This speech is as worthless as all the others. It does not matter. If the Germans are content with these outpourings they are indeed a patient and credulous people."—DAILY MAIL.

"Hitler's speech was the rant of a man unbalanced. This morning we see the old hypocrite trying the discredited old tricks. Once more this destroyer of liberty, this torturer of innumerable victims, assumes the airs of the wronged innocent. He wants us to believe that he would have done no harm to anyone if he had not been provoked by British and French hatred. His latest speech, a piece of unrestricted warfare upon the truth, will strengthen our resolve."—YORKSHIRE POST.

## Uninterrupted Explosion Of Vulgar Insults Says The Petit Parisien

NEW YORK Jan. 31 (Reuter) — "Herr Hitler is still fighting the last war," declares the New York Times, commenting on his speech.

"Yesterday, it was the evils of Versailles and again it was done on the same familiar pattern, for Versailles is the only argument with which he can attempt to justify the utter recklessness of the policy which led the German people into war."

A REUTER MESSAGE FROM PARIS SAYS THAT AN UNINTERRUPTED EXPLOSION OF VULGAR INSULTS, DIRECTED MORE ESPECIALLY AGAINST BRITAIN AND HER STATESMEN, IS HOW THE PETIT PARISIEN DESCRIBES HITLER'S SPEECH.

EXCELSIOR SAYS THAT HITLER WOULD NOT HESITATE ON ANY KIND OF MASSACRE BUT HE FORGETS THAT, ON THEIR SIDE, THE ALLIES ARE NOT SLEEPING EITHER.

Madame Tabouis, in L'Oeuvre, regards Hitler's threats as part of the blackmailing campaign which he is just now conducting in a masterly manner from the North Sea to the Caspian and Mediterranean Seas to the River Aube.

She considers M. Daladier and Mr. Churchill right in saying that it would be a hard fight. "We should be both blameworthy if we underestimated the German strength."

#### NO ROME COMMENT

ROME, Jan. 31 (Reuter)—Herr Hitler's speech has removed from the minds of Italians, who were aware of it, the last illusion that the present conflict can be settled without a catastrophic clash of arms.

No comment on the speech was published in the press though a full summary appeared on the front pages of most papers.

#### GOERING ABSENT

## GERMANY'S ECONOMIC OFFENSIVE

PARIS, Jan. 31 (Reuter)—According to a Belgrade dispatch the German-Yugoslav Economic Committee, which normally meets in April or May, is now to meet in February.

The official reason given for advancing the date is the need for adjusting the commercial relations following the customs union between Germany and the Protectorate of Bohemia and Moravia.

It is believed that the meeting, which is insisted upon by the Germans, will play a part in the economic offensive started by the Germans in South-eastern Europe.

The new German financial delegation has arrived in Belgrade to conduct negotiations in connexion with the pre-war Serbian loan. The German object appears to be to increase the percentage which Yugoslavia agreed last December to repay.

#### N.Y. WORLD FAIR

Special to the H.K. Daily Press WASHINGTON, Jan. 31 (Havas)—Finland will participate in the New York World Fair which will re-open in the spring.

## S.O.S. OFF SCOTTISH COAST

LONDON, Jan. 31 (Reuter)—The British steamer Bancroft sent an S.O.S. while she was off the Scottish coast. Another vessel went to her assistance and, it is understood, rescued all the crew, except one.

The Bancroft (4,450 tons) was formerly named the Ambassador.

## Asama Maru Incident Negotiations

### CRAIGIE DROPS LEGALITIES

TOKYO, Jan. 31 (Reuter)—Sir Robert Craigie, British Ambassador to Japan, dropped legalities for the time being during his interview with Mr. Hachiro Arita, Japanese Foreign Minister, yesterday afternoon, states the usually well-informed newspaper, Asahi Shimbun.

Sir Robert Craigie said that he had taken a step forward towards a political settlement of the Asama Maru incident by confidentially informing Mr. Arita that the unfortunate affair could surely be solved through friendly negotiations.

The Asahi Shimbun quotes Sir Robert as declaring that if, upon examination, it was revealed that the detained Germans had no qualifications for being interned, the British Government would be willing to reconsider the matter.

"Although the British Government has taken a somewhat conciliatory attitude, there is still marked differences between the contentions of the two Governments," maintains the Asahi Shimbun.

#### IMPORTANT FEATURE

"The conversations, therefore, during the next few days may be expected to be the most important feature of the efforts to solve the incident," the newspaper concludes.

The Osaka Mainichi somewhat startlingly declares that the British interpretation of international law, vis-a-vis the Asama Maru case, absolutely ignores the predominant position of Japan in Far Eastern waters.

Under a just interpretation of international law, ignoring the Japanese Navy in Far Eastern waters would be called illegal.

#### H.M.S. AJAX AT PLYMOUTH

LONDON, Jan. 31 (Reuter)—The cruiser Ajax, one of the cruisers which engaged the Admiral Graf Spee, arrived in Plymouth today. The Board of Admiralty sent a welcoming and congratulatory telegram.

British Wireless adds the Admiralty sent the following telegram: "Their Lordships are glad to welcome H. M. S. Ajax home and congratulate you on a safe return after two years service abroad culminating in a memorable action against the enemy. They hope you all will soon enjoy your well-earned leave."

## JAPAN PREPARING NEW ANTI-FOREIGN CAMPAIGN

### Seizure Of Settlement In S'hai Final Aim

#### SPECIAL TO THE HONGKONG DAILY PRESS

CHUNGKING, Jan. 31 (Havas)—The newspaper, Hankow Herald, in an editorial, says that Japan is obviously preparing a new campaign against foreigners as is evidenced by the recent events, namely, the reinforcement of the Tientsin blockade, agitation over the Asama Maru incident, and the campaign aiming to secure a supplementary seat in the Shanghai Municipal Council.

The paper is of the opinion that the final aim of this campaign is the seizure of Shanghai's Settlement and Concessions.

Japan is also endeavouring to hinder Anglo-American co-operation and the meeting of Japanese diplomats in Budapest will probably aim at reviving the Anti-Comintern Pact, and make it so advantageous to Japan, that it will give her a free hand in the Far East while Germany and Italy keep British attention in Europe.

#### SUMMER TIME IN GERMANY

BERLIN, Jan. 31 (Reuter)—Summer time will be introduced in Germany this year from April 1 to October 6, according to a decree by the Defence Council.

This is the first time that summer time has been introduced in Germany for many years.

## 100 Per Cent. Increase In Price Of Foodstuffs

Special to the H.K. Daily Press TIENTSIN, Jan. 31 (Havas)—The shortage of foodstuffs here continues, particularly in the British Concession where the price of beef, pork, mutton, poultry and vegetables has increased by almost 100 per cent. since last week.

Japanese sentries at the International Bridge barrier today searched the luggage of foreign passengers going into the Concession from the railway station.

The British Consul is contacting the Japanese authorities today to discuss the food situation but is not protesting against the live wires.

The American Consul has protested on several occasions when American citizens were not permitted to carry food across the barriers.

NEGOTIATIONS IN PROGRESS TIENTSIN, Jan. 31 (Reuter)—It is authoritatively learned that the negotiations with the Japanese authorities regarding the supply of foodstuffs for the British Concession are progressing satisfactorily though details remain to be settled.

## PRODIGIOUS RESULTS ACHIEVED Chamberlain On War Effort

SPEAKING AT A LUNCHEON IN LONDON YESTERDAY, THE PRIME MINISTER, MR. NEVILLE CHAMBERLAIN, said that sometimes, if one were to read only the debates in the House of Commons and some of the more sensational columns in the press, it might be supposed that the Government was making very little effort to win the war and, indeed, had few ideas upon the subject, except what was supplied to them by the ceaseless vigilance of the Opposition and the unfailing ingenuity of patriotic journalists, says a Reuter message.

"No Government in a democratic country can expect to escape criticism, but I do think it would be unfortunate if the public were led into a mood of gloom or depression, because facts do show not only that 'prodigious' efforts have been made but prodigious results have been achieved," remarked the Premier.

## SERIOUS FIGHTING STARTS IN HUPEH: MORE ACTIVITY AROUND HANGCHOW

ICHANG, Jan. 31 (Central)—Fighting has again assumed serious proportions on the Kiangnan-Chungsiang highway in Central Hupeh, as Japanese units, beleaguered at Sunkiao, west of Kiangnan, and Yangtzu, north-east of Chungsiang, commenced an offensive on Monday in an attempt to break through the Chinese cordon. They failed to make any headway.

Japanese units near Kwangshui, on the Peiping-Hankow Railway 89 miles north of Hankow, have been defeated. Pursuing the retreating Japanese, the Chinese have broken into Yangchiatsai, north of Kwangshui.

In North-East Hupeh, Chinese forces have been attacking the Japanese near Macheng, 87 miles north-east of Hankow. The Japanese Yokoyama and other detachments have sustained heavy losses. They have withdrawn inside Macheng.

#### CHINESE ACTIVITY

KINEIWA, Jan. 31 (Central)—After the Japanese crossing of the Chientang River, Chinese troops have intensified their activity on the north bank. A Chinese unit forced its way to Kungshengkiao in the northern

## CRICKET NOTES:

### Craigengower's Moral Win Over Indians

#### A. R. H. Esmail Saves Valley Side From Collapse

(By "E. U. Ropes")

Ernie Zimmermann and his merry men must have felt quite pleased with themselves last Saturday when, after losing three wickets for six runs, they recovered so well that they not only pulled the game out of the fire, but at the end they scored a moral win over the Indian Recreation Club on whose ground the annual Craigengower-Indians League match was played.

A. R. Minu, the I.R.C. skipper, won the toss and on a wicket which promised to produce a lot of runs, sent the visitors in to bat.

This move was apparently justified, for in a very few minutes the visiting team had lost three wickets for a paltry six runs.

#### GOOD PARTNERSHIP

Then A. R. H. Esmail became associated with young George Souza in a partnership which yielded 49 runs before the latter got out. Esmail then carried on the Esmail's knock was a very fine one and he deserved every one of his runs. He treated the bowling with every confidence and his clever footwork always placed him in good position to deal with the bowling which was accurate if nothing else.

Minu shared the bowling with Madar too long, I thought. They were very successful for a start but after Esmail and Souza had been batting some ten minutes or so, they merely served to bowl the batsmen in as it were.

#### MINU OVERBOWLED

I cannot understand why Minu went on so long himself. After Madar had pegged away for some overs he was taken off in favour of A.M. Rumjahn who was rather short. Then M. el Arculli was given a spell with the ball..... at the wrong moment, I thought, and nothing came of the change.

Toward the end of the C.C.C. innings, when P. J. Billmorla decided to become as stubborn as a mule, Minu surprised me by trying to bowl him, rather let some other bowler send down some tempters in an effort to get him caught. Minu finally got the extra wicket but it was a poor bit of captaincy, to say the least, and savoured of selfishness.

#### NOT DIFFICULT TASK

Craigengower batted till round about 4.35 p.m. as it had been agreed to draw stumps at 6.05 p.m. It was not too much for the Indians to get the 120 odd runs necessary for an outright win.

A. H. Rumjahn and K. Nazarin opened the innings but while the former managed to get together a few, Nazarin failed. George Winch bowled a steady length but after he had got a couple of cheap

### BRADMAN BOWLED BY 1ST BALL

In the Sheffield Shield match between Queensland and South Australia, Queensland won by two wickets.

J. Stackpole making his debut in Shield cricket bowled Bradman with his first ball in the first inning.

Grimmett brought his total wickets claimed in Sheffield Shield matches to 502. Fleetwood-Smith being the next best with 241 wickets.

South Australia 230 (J. Stackpole 6 for 72) and 252 (Bradman 97, Waite 82, Stackpole 3 for 88).

Queensland 133 (Grimmett 4 for 52) and 350 for eight (Brown 111, Cook 54, Rogers 74, Wat 59, not out, Grimmett 3 for 116).

A SENSATION  
Queensland have created a sensation in Australian cricket, by defeating South Australia, the holders of the Sheffield Shield.

Bradman atoned for his lapse in the first innings by scoring 97 in the second. He thus missed yet another century by only 3 runs. This brings Bradman's aggregate this season in 7 innings to 983 runs and his average now is 198.6.

### TSUI WAI - PUI NOT GOING TO MANILA

Special to H.K. Daily Press  
Tsui Wai-pui, Colony lawn tennis singles champion in 1936, 1938 and 1939, has received an invitation from the Philippines Amateur Athletic Association to play at their Open Championship meeting in Manila in March.

While confirming that he had received an invitation to play in the Manila open championships, Mr. Tsui told the Hongkong Daily Press that owing to unavoidable circumstances he would not be accepting the invitation.

### Government House Team Bowls Win

In a friendly game of lawn bowls at Government House yesterday, a team, led by His Excellency, the Governor Sir Geoffrey Northcote, defeated the U.S.R.C. by six shots.

The scores were:  
HIS EXCELLENCY'S TEAM: W. Walker, Dr. I. Newton, J. Deakin and His Excellency (skip) 19; Col. E. P. C. Collin, Hon. Mr. N. L. Smith, Sir Atholl MacGregor and E. Searle (skip) 27; W. Cornell, Mr. Justice R. E. Lindsell and Hon. Mr. S. H. Dodwell (skip) 18. Total 64.  
U.S.R.C.: Col. Moffat, Col. Matthews, B. D. Evans and Capt. H. H. Williams (skip) 20; Leavitt, Rowell, Collon and Youngusband (skip) 21; Hubbard, Dr. J. T. Smalley, Milne and White (skip) 17. Total 58.

while Robert Lee bowled really well. At times he touched the form that won him a place in the Hongkong Interport team some seasons ago and if he should keep it up the K.C.C. have as good as won the League.

### INTERPORT FOOTBALL TEAM DEFEATED

#### Disappointing Display Against Chinese

The Colony Interport football team to visit Shanghai gave a very disappointing display when they met a combined Chinese team at Caroline Hill yesterday afternoon and lost by three goals to nil.

The match was arranged by the Hongkong Chinese Journalists' Association to raise funds for relief work among Chinese in Hongkong and there was a fairly good attendance.

The teams were—

COMBINED CHINESE—Cheung Wing-choy; Hsu Yung-sang and Lee Kwok-wai; Kwok Ying-ke, Hsu King-seng and Tse Kam-hung; Tang Kwong-sum, Fung King-cheong, Lee Wai-tong, Cheuk Shek-kam and Lee Shek-vau.

COLONY INTERPORT TEAM—Moxham; Hussain and Bone; Guy, Forrow and E. Strange; Cassillo, D. Leonard, Hossack, A. V. Gosano and Houniball.

There were several changes in the Colony team in the second half when Leonard took left-back position from Bone. Maxwell played right half-back in place of Guy who transferred to the pivotal position while Forrow took Leonard's place as right-inner. Cassillo stood out and Hossack played right wing to give Fox the centre-forward berth.

There was no scoring in the second half, however, and the game was even more dull and disappointing than in the first half.

#### NEATLY DEFEATED

Quite early in the play a perfectly timed corner kick was neatly deflected into goal by Lee Shek-yau with a rapidity that completely baffled Moxham. Halfway through the session, with the Chinese pressing furiously Cheuk Shek-kam headed in a beauty of a pass from Tang Kwong-sum, giving the Chinese their second goal.

Five minutes before the interval Lee Wai-bong, cleverly contrived a movement to draw out the half-backs which was completely successful. Lee then dodged his way

### LOWLY CUBS SURPRISED BABY PANTHERS TO CHALK UP SECOND SOFTBALL WIN OF THE SEASON LAST SUNDAY

#### Men's Games Featured By Several Close Struggles

BY "R.O.Y."

In chalking up their second win of the season, the lowly Cubs surprised the Baby Panthers, by scraping through on the long end of an 11-9 count, and so managed to hoist themselves out of the cellar, of which the Cardinals are now the sole occupants.

Gran'ma Hutchinson, in fanning present China versus the Rest in ten opposition hitters, took most of the credit for victory, while Patsy Kotewall gave her surprisingly good support behind the plate.

The Kittens, though, were unlucky to lose the services of their catcher, Therese Botelho, who was hurt in the first stanza, and faded out over the latter part of the game.

#### EASY TIME

The Recreio girls had an easy time against the Cardinals and finally won by the wide margin of 22 to 4, after starting a devastating 10-run rally in the third.

Every member of the winning squad got hits, Anna Noronha leading the parade with four bingles, while Hilda Soares, with two circuit clouts, was the heaviest hitter. Betty Longbottom garnered two of the losers' four safeties, while Linda Fernandez, at the initial sack, was the Redbirds' best fielder.

#### CONVINCING WIN

The Canadian Chinese again won convincingly, taking the Pirates by 29 runs to 9. Rene Yuen came through with her usual sound display, at the first sack while Dot Louie hit for the only round-tripper chalked up to the winners.

Maudie Read and Billie Sinton homered for the Buccaneers who could connect for only four hits off the bends and slants of Canuck hurler, Mary Louie.

#### MEN'S CARD

Several close struggles featured the Men's programme, the most entertaining being the Canadian Chinese-Chung Hwa clash which ended 5-3 in the former's favour. The Chung Hwa boys registered three gift tallies in the first frame, but the Canucks took the lead with five in the second, when Wally Ching watched George White's easy grounder roll to centre, for three Canuck tallies to cross the pan. Herbie Quon was as erratic as usual but the losers never gave any promise of being able to connect with his speedy deliveries.

Earl Wong, taking the mound in Tuffy Chinn's place in the third stanza, also had the Maple Leafs eating out of his hand and held them scoreless during the last five frames.

#### CLOSE COUNT

The Ball Club gang, taking things very lightly, were held to a close 6-3 count by the International Athletics. Hits were few and far between, Frankie Gonzalez getting two of the winners seven, while the I.A.C. boys registered only two singles over the full route.

#### GOOD FIGHT

Despite the valuable services of Donald Anderson, Emil Porter's Emma Gees were unable to make good for their manager and went down to Kenny Wong's Formers by the close score of 4-2, but only after putting up a surprisingly good fight.

Anderson, making his first appearance this season, made a wealth of difference in the cellar champs' display; they felled for a new low with only four bobbles, and outlived the winners 8 to 4.

Vic White batted in the Gunners' two tallies with a homer in the second, but Duggie Hunks and Archie Zimmermann's two hits apiece were wasted when their teammates failed to come through. Cecil Wong Lee binged twice for the Formers who must be considered to have been very fortunate in finishing on the long end of the count. After the last game had been decided, the selection committee went into a huddle and chose the teams to re-

### SCRAPPY MATCH AT VALLEY

#### CLUB "A" WIN AT RUGGER

Playing 13-a-side the Club "A" were far too good for the Navy "A" at the Valley yesterday, and easily trounced the sailors to the tune of nine points (three tries) to nil.

The game was dull and scrappy and never, at any moment was any good form displayed by either side. The sailors' handling was very weak and their three-quarters were much too slow for the Club forwards.

#### SUPERIOR PACK

It was apparent from the start that the Club men were the superior pack and it was within the first ten minutes of play that they scored their first try through Fay McCrea failed to convert.

The Club were pressing all the time and the game continued to half-time with no change in the score.

The Navy improved in the second half but never got near scoring at any time. The Club, however, improved their position as the result of two good tries by Lavalle, who touched down between the posts, and Morgan. On both occasions McCrea failed to convert.

Dr. J. A. R. Selby refereed and the teams were as follows.

#### THE TEAMS

NAVY "A"—Roe, Barlow, Addis, O'Flaherty, Jeffries, Clark (Capt.), Ingalls, Barlow Davis, F. Jeffrey, Spirit, Charles, Murray-Jones and Summer.

CLUB "A"—Lavalle, Wilson, Smith, Morgan, Roscoe, Fay, Tresseder, Beattie, McCrea, Austin, Benn, Thornhill and Heaman.

## "Tail Spin" At The King's Today

A smashing, romantic melodrama of adventure will be seen at the King's Theatre today when "Tail Spin," 20th Century-Fox's thrilling story of three women of the sky, opens its run there. Breathlessly paced, magnificently acted and brilliantly directed, this glowing tribute to women who fly is really something to stand up and cheer about.

With Alice Faye as Trizie, Constance Bennett as Gerry and Nancy Kelly as Lois, "Tail Spin" is the exciting tale of these three who brush wings with death in the gamble they can lose only once. Trizie flies for the money that's in it, Gerry because she finds the sky's the place to hide from "love," and Lois because it brings her closer to the man she loves.

Nothing quite like "Tail Spin" has come to the screen in many a season, and from the opening scene to the breath-taking climax you'll know that you are witnessing one of the outstanding pictures of the year.

## "PACK UP YOUR TROUBLES" OPENS AT MAJESTIC TOMORROW

The chance of a lifetime to "Pack Up Your Troubles" in your old kit bag and howl, howl, howl awaits you at the Majestic Theatre, where joyous Jane Wither appears tomorrow in the new 20th Century-Fox comedy of that title, with those riotous Ritz Brothers tossed in to guarantee you a maximum of fun.

Yes, Jane's the bravest little Ma'amelle in all France—and the Ritzes are in the army now! Being the Ritzes, of course, they take the liberty of telling the General off, with results that provide the picture with one of the funniest punch lines in memory.

Jane delights with two grand new impersonations—George M. Cohan, singing "I'm A Yankee Doodle Dandy," and Eva Tangany, singing "I Don't Care."

## BING CROSBY ILL WITH APPENDICITIS

LOS ANGELES, Jan. 31 (Reuter)—Bing Crosby, crooning star of the screen and radio, has been taken to hospital suffering from appendicitis. His doctor says an operation may not be necessary.

The recruiting officer of the Woman's Land Army in Devon has resigned. She stated that when she protested at an Exeter Committee meeting about the muddle which had arisen in the organisation, she was told no criticism could be allowed. The Officer, Miss Calmady Hamlyn, was one of the organisers of the Land Army in the last war.

The Ritzes have never been half as funny as in this grand fun fest, which provides them with a whole kit bag full of new Ritz-tricks.

USE a little Brylcreem every morning. See how neat it keeps the hair all day. See, too, what a healthy gloss it gives. See how it frees the scalp from dandruff. Millions of smart, well-groomed men use Brylcreem. They like it particularly because it contains no gum or starch and does not 'plaster' down the hair. Try Brylcreem yourself!

## THE BALKANS ARE NOT MENACED:—YUGOSLAV MINISTER'S STATEMENT

### 400 THOUSAND BLANKETS FOR CHINESE ARMY

### ANOTHER ORDER FOR C.I.C.

CHUNGKING, Jan. 28 (C.I.C.).—Upon the eve of completing 400,000 blankets for the army, the Chinese Industrial Co-operatives has received a second order from the Ministry of War to make another 1,500,000 blankets in the twelve months ending January 31, 1941.

Eight societies, four in the Northwest and four in the Szechwan-Sikang area, have been asked by the Chungking headquarters to specialise in this work. Each society will manufacture 15,000 blankets a month. The War Ministry will pay \$10 for each blanket.

All over Free China, the co-operative movement is gaining wider support from the masses. Last August there were 1298 societies. There has been a phenomenal increase of new societies but all the existing co-operatives have been strengthened during the period. One of the principles laid down at a general conference last summer, that speed should give way to strength in making the movement nationwide, is being followed. At present the C.I.C. has a membership of 20,000 workers.

### A LOAN

Negotiations are under way between the C.I.C. authorities and the Bank of China for a loan of \$10,000,000 to \$20,000,000 for establishing more societies and extending credit to bona fide units. The C.I.C. which started with \$5,000,000 from the Government, is allowed \$80,000 monthly by the Executive Yuan. This is double the amount received formerly from the National Relief Commission.

Some time ago, due to their relationship to national production and reconstruction, the C.I.C.

### RECENT RUMOURS DISCREDITED

BEIGRADE, Jan. 31 (Reuter).—"There is no menace to the Balkans" declared the Yugoslav Foreign Minister, M. Cincar Markovitch, according to the newspaper Naplo.

The meeting of the Balkan Entente on Friday "will produce no surprise or sensational result."

### NO FOUNDATION

M. Markovitch said that the disturbing rumours now current were without foundation and continued: "It is necessary for the Balkan countries to collaborate in the economic field as the war is being conducted by economic means and the Balkans are the crossroads of the Continent."

### TURKISH DELEGATE

ANKARA, Jan. 31 (Reuter).—Bey Sarajoglu, the Turkish Foreign Minister, left Ankara yesterday afternoon at the head of the Turkish Delegation to the conference of the Balkan Entente at Bucharest.

He will visit the Bulgarian Prince Minister en route.

and the Agricultural Improvement Commission were ordered by the Supreme National Defence Council to be placed directly under the Executive Yuan instead of under the National Relief Commission.

Thus far, the C.I.C. has received the equivalent of \$600,000 from friends abroad through its Hongkong Promotion Committee.

Numerically, the Szechwan-Sikang district tops the other four districts of the C.I.C., having 40 per cent. of the societies. The Northwest district comes second with 30 per cent. of the total and the Southwest district third with 19 per cent. The Southeast and the Yunnan districts take fourth and fifth place with ten and one per cent. respectively.

A Havas message adds that the President lunched with several movie stars, amongst whom were Dorothy Lamour, Elsa Lanchester, Olivia de Havilland and Tyrone Power.

### ROBUST HEALTH

WASHINGTON, Jan. 31 (Reuter).—A little greyer and with the lines on his face more deeply etched, President Roosevelt yesterday reached his 58th birthday. He looked the picture of robust health, however, as he received scores of guests at White House during the day.

At 11.30 p.m. (E.S.T.) yesterday he was to broadcast over a nationwide "hook-up."

## VIRTUALLY CONDEMNED TO DEATH

### CRUEL DRIVE AGAINST POLES BY NAZIS

LONDON, Jan. 31 (Reuter).—"Executions are going on all over the country at a great speed," declared the Parise Radio.

### MASS EXPULSION

Stating that the Nazis had speed up the mass expulsion of Poles from German-occupied Poland, the announcer added: "Regardless of the bitter cold, thousands of people are being loaded into trains. They are not allowed to take food and are thus virtually condemned to death."

"In a wagon transporting children from Poznan, thirty of them were found to be dead when the train reached its destination."

## METEOROLOGICAL FLIGHTS ARE NOT DETERRED BY COLD WEATHER

LONDON, Jan. 31 (B.W.S.).—The coldest weather since 1894, which has been experienced this month, has not deterred the flying personnel of the meteorological flight and regularly twice each day a meteorological aeroplane has gone up from one of British bomber stations.

On every flight one or other of them climbed to 25,000 feet, taking readings at regular intervals. The personnel, comprising a Flight-Lieutenant and a Warrant Officer, wore ordinary flying suits.

Though the aircraft was fitted for electrically heated clothing, they said they did not need it.

### 45 DEGREES OF FROST

The wet and dry bulb thermometer, fixed on one of the struts, went off scale at 45 degrees below zero with unfailing regularity. The flyers estimated that on the coldest day there was approximately 90 degrees of frost. Both escaped frostbite.

Since Nov. 23, 1936, not a single scheduled flight has been missed. Even fog has not stopped them.

Landings have been made in visibility as low as 25 yards.

It takes about 45 minutes for aircraft to reach 25,000 feet and for a pilot to make the various readings. To come down takes on an average about fifteen minutes, but the descent must not be too quick for fear of damaging the eardrums.

## Touch wood!

To certain early races of mankind the oak tree was sacred. They rushed to its shelter whenever danger threatened. Even today when we say "touch wood" we unconsciously seek similar protection. To many thousands of people the Manufacturers Life Insurance Company is giving not financial—but very real—protection against economic dangers. Like a massive oak, this company has grown to strength from the acorn of small beginnings. Stable as the oak, it has weathered many a storm in the wars, epidemics and speculative panics of half a century. Today over 200,000 policy holders bear witness to the enviable position which the Manufacturers holds among the great Life Insurance Companies of the world.

Judgment on all points was given by the Chief Justice, Sir Atholl MacGregor, at the Supreme Court yesterday, for Mr. George Emanuel Ahwee, who sued the Hongkong Dairy Supply Co., Ltd. for damages for breach of agreement, possession of the property known as the Kowloon Dairy in Kowloon City and mesne profits, and also sought an injunction restraining the defendants from using the name "Kowloon Dairy" and Trade Mark No. 63 of 1925.

## SCANDAL POINT INCIDENT

### CHINESE CHARGED AT CENTRAL

Lau Po-lau, 17, who was discovered by Mrs. A. M. Estall, wife of Sergeant Major Estall, at her flat at Scandal Point, on Monday about 10 a.m. is alleged to have drawn a 22 automatic pistol, and fired a shot when Mrs. Estall seized the intruder by the hand.

The incident had a sequel before Mr. R. Edwards at the Central Magistracy yesterday, when Lau faced charges of:

Seizing a silver chain and two religious medallions; unlawful possession of an automatic pistol and four rounds of ammunition; shooting with intent to maim, disfigure, or disable, and shooting at Mrs. Estall with intent to prevent arrest. Cpl. Laurie, of the Royal Scots, chased the intruder up the hills and arrested him.

On the application of Sub-Inspr. C. Goodwin a week's remand was granted.

## COLONY HEALTH: THREE CASES OF SMALL-POX

Three cases of small-pox (one from Victoria, one from Kowloon and one from the Harbour), eighteen cases of tuberculosis, two cases each of diphtheria, chicken-pox and dysentery, and one case each of cerebro-spinal fever and enteric fever were notified to the Health Department on Jan. 30.

Chased the intruder up the hills and arrested him.

On the application of Sub-Inspr. C. Goodwin a week's remand was granted.

## Rural Rehabilitation In Shumchun: Aid For Refugees: Production Of Vegetables

The Magistrate, of Shumchun, Mr. Hang Yin-shun, has arranged for relief to be given to destitute refugees who are not inhabitants of Shumchun area. A refugee farm will be organized for the production of vegetables. It is hoped that 200 mow of land will be available.

The Shumchun Rural Welfare Centre has established headquarters at Shumchun with branches in the villages of Tsai Yuk Wai, Kak-shin, Wong Pui Ling and from these branches assistance will be given to the villagers.

**COLLECTING STATION**  
With the co-operation of the New Territories Agricultural Association it is proposed to establish a collecting station at Fanling for poultry, and where incubators will produce chicks and ducklings which can later be distributed to the Shumchun farmers to re-establish the poultry industry.

The losses of the farmers have been greater this time than as a result of the second invasion in the beginning of 1939. The accumulated effects of the three invasions have resulted in a pauperization of the whole population. Fields are overgrown with grass, the animals which used for ploughing have been either disposed of by the farmers during the evacuation, or been lost, 90 per cent. of the farming implements of the area have been lost, while the doors and windows of most of the houses have been removed by the military occupants either for firewood, for repairing bridges or for making stables.

**SHUMCHUN PROBLEM**  
The populations of Shumchun market and Shau-tau-ko are semi-urban, but are naturally dependent upon the economic position of the farming populations of the vicinities. These towns are empty since the small traders and craftsmen have lost their small capital and have no means whatsoever to restart business.

Thus, the problem before the Shumchun Rural Welfare Centre is practically the re-building of the economic life of the areas in which we are working.

**DONATIONS RECEIVED**  
The following welcome donations have been received for this purpose.

have been received for carrying out this work.

The British Fund for the Relief of Distress in China \$5,000; Bank of Communications 100; Bank of Canton 100; Mr. Eu Tong Sen 200; The Bank of East Asia 100; The China State Bank 50; The Overseas-Chinese Banking Corp 25; Hon. Mr. Li Tze Fong 25; Mr. H. O. Tong 20; S.K.M.R. (per Bishop Hall) 500; The H.K. Chinese Women's Club 300; Major Manners 10; Mr. Peter Sin 10; Mr. Mak Man Sang 10; Mr. L. Gockchun 15; Mr. T. W. Li 10; Mr. Eugene Penn 10; Dr. Arthur Woo 10; Dr. Li Shu Pui 10; Mr. O. K. Yui 10; Mr. Peter Wong 10; Mr. Fung Ping Fan 10; Mr. Wong Sik Cheung 10; Mr. W. J. Fulker 10; Mr. Samuel T. C. May 10; Mr. Kenneth C. Chao 5.

Donations in kind: 140 old rakes and pickaxes from the Urban Council.

### 140 TONS OF FERTILISER

One-hundred-and-forty tons of fertiliser was transported by the Canton-Kowloon Railway on Tuesday to Lowu, the border station, for the farmers of the Shumchun area who are being rehabilitated through the efforts of the Shumchun Rural Welfare Centre.

More than 200 farmers from Tsai Yuk Wai, Lowu Village and the Shumchun Market, who waited at the station carried the trainload across to the villages on the Chinese side under the direction of the village elders and staff members of the Po Oi District Government.

### B.F.R.D.C. DONATION

The plans of the Local Headquarters of the Centre are framed for the rehabilitation of 3,000 families and include the accumulation and distribution of farming implements, animal stock, and poultry. The British Fund for the Relief of Distress in China has donated \$5,000 for this purpose.

# HITLER'S DIATRIBE AGAINST IDEALS OF DEMOCRACY AND BRITISH WAR AIMS

## Blackmail & Oppression Of Versailles Treaty

LONDON, Jan. 31 (Reuter)—Speaking at a meeting at the Berlin Sports Palace last night, to mark the Seventh Anniversary of the Nazi Revolution, Herr Hitler, in his first big speech since the Munich bomb explosion, said that there was much talk in the rest of the world about democratic ideals, but not in Germany.

Germans had sufficient experience of the democratic idea in the past, he declared. They had 15 years opportunity of coming to know the democratic ideal in its pure form. They are only successors of democracy.

## TIRADE OF BOASTS AND THREATS

The Times, in an editorial on Herr Hitler's speech says the tirade of boasts, threats and hatred is only interesting as an example of the systematic mendacity upon which German morale is apparently built, and as displaying fear of the Allied arms.

The Daily Telegraph says that the screams of last night were shrill and the abuse parodied itself. The more often Herr Hitler makes such speeches, the swifter the twilight of Hitlerism will darken. Each shriek betrays the dread of British power and consciousness of inferiority in the contest he has provoked.

## MR. CHAMBERLAIN ON WAR EFFORT

Continued from Page 1

stations, standing ready and prepared for their duties enables us here at home, without fear of interruption, to proceed with the expansion of our equipment and our striking force.

"We have now the first contingent of the British Expeditionary Force in France and already we have sent over to France, for their sustenance, many thousands of motor transport vehicles and nearly half-a-million tons of munitions and stores.

**THE NAVY**  
"Now the Navy is today, as it has always been in our history, the first line of defence of these islands and that great empire which was built up by the toll and enterprise of our forefathers.

"If you ask me what is the battlefront of the Navy I should say it is wherever British ships sail the oceans which cover two-thirds of the earth's surface.

"To give you an idea of the demand upon them I may tell you that since the outbreak of the war one of our battleships covered well over 34,000 miles. On the first 120 days of the war one of our cruisers was at sea for 120 days; one of our destroyers, for 103.

"From the north of Scotland to the coast of Greenland, that space which the German raider has to pass to reach the Atlantic or German merchantmen have to penetrate in order to carry cargoes to their home port, is a thousand miles long and in winter visibility by day isn't more than a mile. Yet that space is being densely controlled by the British Navy with increasing success."

## WESTERN FRONT

PARIS, Jan. 31 (Reuter)—A French War Communiqué states that there was marked activity of contact units to the west of the Saar.

In the same region, artillery was in action during a large part of the day.

**NO LEAVE FOR B. E. F.**  
LONDON, Jan. 31 (Reuter)—The War Office announces that owing to the continuance of wintry conditions in the United Kingdom, leave for the B. E. F. is unlikely to be reopened for some days.

**AIR CHIEF'S VISIT**  
LONDON, Jan. 31 (Reuter)—Air Marshal Barratt, Chief of the British Air Forces in France, yesterday toured the R. A. F. aerodromes behind the Western Front.

## NAZI PLANE OVER LUXEMBURG

LUXEMBURG, Jan. 31 (Reuter)—A German reconnaissance plane flew over Luxembourg on Monday and landed some two miles from the German frontier. The occupants asked where they were and, on being told that they were on Luxembourg territory, hurriedly took off again.

## GENERAL OFFENSIVE INDICATED

ROME, Jan. 31 (Havas)—Herr Hitler's speech clearly indicates that Germany will be launching a general offensive soon, according to political quarters here. Herr Hitler's words regarding the completion of the German military machine are considered especially significant.

On the other hand, Italian political quarters are surprised at the absence of all reference to the future status of Poland and interpret the silence as a sign that Germany is determined to consider Poland as a conquered country, simply annexed to the Reich.

Herr Hitler's explanations regarding the Russian alliance have not dispelled the bitter feelings here on that subject, but the Italians greeted with satisfaction Herr Hitler's distinction between the "have" and the "have not" countries and his assertions on German-Italian policy which has reinforced the Italian position.

## NOTHING NEW

PARIS, Jan. 31 (Havas)—Political circles do not comment much on Herr Hitler's speech, which is not considered anything new. Hitler developed once more the theme of all Nazi speeches, namely Versailles, British hypocrisy and the oppression of Germany by western countries. The usual rearrangement of facts to suit these were not lacking from the speech.

Thus, Herr Hitler declared that 1938 was a year of anti-German provocations, apparently forgetting that it was the year of the annexation of Austria, Memel and Sudetenland.

The only point of interest was Herr Hitler's public appeal to Italy to join the German cause.

## WIDENING GAP BETWEEN MOSCOW AND ALLIES

this war may not spare women and children.

"Britain never hesitated to make war against women and children and we know what Britain and France have done in the last five months, but Britain and France appear not to know what we in Germany have done within these five months.

"Our arms factories are now working smoothly according to plan.

## AND THE U-BOATS

"According to British broadcasts, they wish us to believe there is no more sunshine in England, because the whole sky is darkened by squadrons of British planes, the whole world is only one armed camp working for Britain and Germany has got only three U-boats left.

"That is very bad, not for us, but for others. For after having sunk these three U-boats, our enemies will have to invent some theory about the resurrection of U-boats."

## Brazil Takes Over German Air Line

NEW YORK, Jan. 31 (Reuter)—A Rio de Janeiro dispatch to the New York Times says that Brazil has taken over the Condor German Air Line.

President Vargas has signed a decree ordering the concern to immediately "adapt itself" to the Article in the Brazilian Constitution providing the management to be placed in the hands of Brazilians.

The line has also been ordered to comply with the decree issued in 1938 regarding personnel.

This is believed to mean that the special concession by which the line is authorised to maintain Germans, and former German subjects, now naturalised Brazilians, as pilots, is now withdrawn.

## IMPORTANT TALK IN NEW DELHI ON FEB. 3

NEW DELHI, Jan. 31 (Reuter)—Mr. Gandhi will have an interview with the Viceroy on Feb. 3. Considerable importance attaches to the conversation owing to the critical stage reached in the political controversy in India since the outbreak of war.

## TURKISH PRESS ATTACKED

MOSCOW, Jan. 31 (Reuter)—The Trade Union organ, Trud, made an attack on the Turkish press and accuses it of publishing, without evidence, anti-Soviet news such as reports of Finnish successes and of reacting "with unconcealed enthusiasm to Mr. Churchill's threats against neutrals."

Another Chinese unit damaged a section of the Linping-Tsingteh highway and two bridges at Chow-chiawan on the night of Jan. 21.

**CHINESE ADVANCE**  
CHENGCHOW, Jan. 31 (Central)—The Chinese are advancing towards Tsingyang, southwest of Peking, in north Honan, in several columns.

In a Chinese attack on Shanghai a Japanese unit was wiped out and three railway bridges were blown up.

**WUYUAN, SUYUAN, Jan. 31 (Central)**—Another battle is raging in Suyuan as Japanese forces in Paochow, terminus of the Peking-Suyuan Railway, after having been heavily reinforced, commenced a two-pronged drive last Saturday.

One Japanese column is pushing west along the Paochow-Wuyuan highway, while another has crossed the Yellow River to attack the Chinese positions at Wulashan and the vicinity.

## Ten Merchant Vessels And Two Lightships Bombed

LONDON, Jan. 31 (Reuter)—Nazi aircraft repeated the attacks they made on Monday on British and neutral shipping in British waters yesterday, when they attacked with bombs and machine-guns ten merchant ships and two lightships. The only ship so far reported lost is a small ship of less than 1,000 tons, the Jersey Queen, whose SOS was heard by radio sets on shore.

She reported that another ship was being attacked in the vicinity, and a lifeboat put out to the rescue.

One of the ten merchant ships was a Latvian vessel, the 3,700-ton Tautimila, which was beached.

**WALKED ASHORE**  
A member of the crew walked ashore from the beached ship. He said that he had been knocked out during the attack and, when he came to, he found himself alone. Sixteen others have been landed by a lifeboat, but it is feared that seven or eight are missing. Six bombs were dropped.

## WORST DAY OF AIR RAIDS OVER FINLAND: 3,000 BOMBS DROPPED DURING ONE WEEK

### Soviet Attacks Continue On Lake Ladoga Front

HELSINKI, Jan. 31 (Reuter)—All through the night further reports of Monday's air raids poured into Helsinki from all over Southern Finland.

Right along the coast, from Viborg in the east, to Abo in the west, come fresh revelations of horror and destruction marking what may prove to be Finland's worst day of air raids so far.

Nothing seems to have been spared and in addition to towns, villages, isolated farms and peasants' homes were ruthlessly attacked.

It was announced that between Jan. 21 and 27 some 3,000 bombs fell in Finland, killing 24 and wounding 56 in forty-six different localities, the objectives including two hospitals.

It was stated that 1,250 Russians were killed at the front last Sunday.

**HEAVY CASUALTIES**  
HELSINKI, Jan. 31 (Reuter)—A communiqué states that the few enemy attacks north-east of Lake

Ladoga were repulsed with heavy enemy casualties and that two Russian tanks were destroyed.

The enemy's attacks on Mantea Fort were supported by aircraft and artillery, but were repulsed. On the Isthmus, a Finnish coastal force defeated several enemy batteries.

It is estimated that 200 enemy planes flew over Finland on Monday. Abo, Hangö, Tamminlinna, the district of Pernaja, two coast towns on the Gulf of Bothnia and a hospital were bombed, while the

Nurmes district was also bombed several times.

**MONDAY'S RAID**  
According to reports hitherto received, more than thirty civilians were killed and about fifty wounded in Monday's raids.

Finnish aircraft bombed a certain harbour and vessels lying there, also enemy motor lorries, transport columns, troop quarters and railway stations. Twenty-one enemy planes were shot down and one Finnish plane was lost.

**FOUR POINTS**  
HELSINKI, Jan. 31 (Reuter)—Soviet attacks north-east of Lake Ladoga have grown few and weaker. Fighting is still centred at four main points, but the Finns are in possession of strong positions and can launch successful counter-attacks.

## "Chinese Art Throughout

## The Ages"

## MR. LUIS CHAN'S BOOK

Mr. Luis Chan, Vice-President of the Hongkong Working Artists' Guild, has just completed the writing of a book on "Chinese Art Throughout the Ages" as a result of twelve months' continuous hard work during his spare time.

The book is divided into two parts and purports to be a comprehensive survey of history (Part I) and Principles (Part II). Mr. Chan has ably treated the historical section by dividing the periods in the following manner:—

- (1) Applied Art Period.
- (a) The Primitive Epoch—2952-2209 B.C.
- (b) The Ritual Epoch—2209 B.C.—219 A.D.
- (c) The Religious or Fresco Epoch—220-960 A.D.
- (2) Literary Art Period.
- (a) The Literary Epoch—960-1279 A.D.
- (b) The Archaic Epoch of Development—1280-1368 A.D.
- (c) The Archaic Epoch of Decline—1368-1911 A.D.
- (d) The New Era—1912 onwards.

"SIX CANONS"  
Of special interest is his discourse on principles in which he exhaustively deals with each of the "Six Canons" as formulated by Hsieh Ho during the Sixth Century. Finally Mr. Chan goes on to compare these Canons with Western Art principles and draws parallels of the Art of the East and the West.

THE PREFACE  
In his preface, Mr. Chan draws our attention to the fact that European readers generally tend to base what is called advancement in art, on the advance of science

and that they seem to be under the impression that Chinese painting ought to have advanced along the same line as Western Art which has no doubt owed its advancement to scientific study of the phenomenon as well as of light and colour.

Mr. Chan then finally concludes that "it is for such genius as Rembrandt in the West or Wu Tao-tzu in the East to have succeeded in making anything like an advancement of the Art."

Mr. Chan has originally arranged to send the book, when completed, to the Editor of the Studio, with a view to its possible publication in London, but in view of the present political situation there he is now awaiting to hear from London before making any definite move.

## PROTEST OVER CIVIL SERVICE POST

The Civil Service Association has asked the Minister of Pensions, Sir Walter Womersley, to receive a deputation to discuss the appointment of the daughter of the deputy secretary of the Ministry as personal secretary to her father.

An official said "The association intends to challenge certain statements made by the Minister in the House of Commons. It will ask him to hold an inquiry into this and a number of other temporary appointments."

In the House of Commons, Sir Walter Womersley, in answer to questions, said that in the few instances where relatives of permanent officials had been engaged experience had proved that their qualifications were fully adequate, and that the person in question was carrying out exactly the same duties as her predecessor, who had been promoted.

# It's EASY to Catch COLD or 'FLU' when TRAVELLING

## 'ASPRO' WILL PROTECT YOU

GERMS are no respecters of persons. Wherever you travel you cannot tell the moment you are likely to catch a cold—or even the 'Flu'. The proved protection is 'ASPRO'. ### STAUCH BELIEVER IN 'ASPRO' NOW—SCEPTICAL AT FIRST!

Dear Sir,  
I think 'ASPRO' Tablets for warding off dangers from my little boy, aged nine, as well as myself, when my wife, who was then an invalid in bed, was too weak to take them, and finished up in hospital with double pneumonia, while we were getting colds. But stopped them with 'ASPRO' and nothing else.  
My wife is a staunch advocate for their use now, and takes 'ASPRO' at the first sign of a cold. Wishing 'ASPRO' and their inventor all the good luck they deserve—I am,  
Yours faithfully,  
(Sgd.) L. WILLIAMS

### Stubborn Cold Goes — PROOF!

6 Hammer Street, Wilmington.  
Dear Sir,  
I thank you for your kind interest in directing me to the certain way to effect a cure to the nasty COLD with which I had been battling for three weeks, during which time I had tried so many other ineffective remedies. On Thursday last I carried out your advice to the letter, and I could hardly believe the fact that on Saturday morning I woke up with no cold left, nor did I cough through the night as I had been in the habit of doing. Although I have used 'ASPRO' with excellent results for years in relieving HEADACHES, I can say positively and with very much appreciation, that you are surely right. 'ASPRO' would break up a Cold or the 'Flu' in 24 hours if the directions were properly observed, but been conclusively proven.  
Yours faithfully,

## HIGH GOLD PRODUCTION IN CANADA

### BIG INCREASE IN 1939

For the second month in succession, a new high record for gold production in Canada was set up in July. Each of the seven months of the current year has recorded an increase and the gain for July was five per cent.

#### 11 PER CENT INCREASE

The increase for the seven months over 1938 was eleven per cent. Ontario was the source of 60 per cent of the Dominion production for the seven months. Quebec ranked second and British Columbia third.

For the seven months also the Canadian output ranked third among the gold producing countries of the world for which returns are available.

#### JUNE RECORD

The production of gold in Canada in July, according to a report issued by the Dominion Statistician, was 440,065 fine ounces, as compared with 419,685 ounces in July, 1938. The June high record was 436,783 ounces as against 393,211 ounces in June of last year.

The highest previous monthly output recorded was 435,171 ounces.

## Rumania's Oil Policy

### REASON FOR RECENT MEASURES

BUCHAREST, Jan. 31 (Reuter).—An important speech about Rumanian oil policy was made yesterday by the Rumanian Minister of Commerce.

#### NO OTHER AIM

He said that the measures taken recently had no other aim than of meeting national requirements and all reports to the contrary were quite unjustified.

Oil was essential for Rumania's military forces, which are so necessary during the present troubled times. He urged the need for increased production.

## RAUB AUSTRALIAN GOLD MINING

The Raub Australian Gold Mining Co., Ltd.—Report No. 555.—Fine Ounces 1906. Profit: \$5,700.

In December, 1938. For the seven month period the Dominion gold output this year totalled 2,932,510 ounces as compared with 2,639,755 ounces in 1938 and 2,323,704 ounces in 1937.

The cumulative monthly output for the calendar year 1938 totalled 4,725,117 fine ounces.

## MARKETING OF TUNG OIL CENTRALISED

CHUNGKING, Jan. 28 (C.I.C.)

—Beginning January 15, 1940, the marketing and exporting of tung oil have been centralised under the Foo Shing Trading Corporation, an auxiliary organ of the Ministry of Finance working in close collaboration with the Foreign Trade Commission. The control of the export of tung oil by the corporation will assure American importers a higher quality product and faster delivery.

Capitalised at \$80,000,000, of which \$40,000,000 will be working capital, the corporation will not only look after the export of the tung oil but also try to improve and to increase the production on a nationwide scale. Tea, mineral products, wood oil and bristles are the four chief export articles from wartime China.

During 1939, more than 40,000 tons of wood oil were exported, mostly to the United States. Statistics show that the annual production of tung oil in China is about 70,000 tons, and the chief production centers are under complete Chinese control.

The coordination of China's transportation system through the recent amalgamation is expected to bring tung oil export to unprecedented highs in the future. The 1939 figures of American purchase of Chinese tung oil are expected to be around U.S. \$15,000,000.

## LOAN REPAYMENT IN SHANGHAI

CHUNGKING, Jan. 31 (Central).—A Shanghai message states that Consolidation Bonds drawn during the recent eighth drawing in Shanghai will be due for repayment tomorrow. Principal and interest which will become payable amount to a total of over \$56,000,000.

Reconstruction bonds drawn during the eighth drawing in Shanghai, amounting to some \$11,000,000, will become payable at the end of February next.

As in former cases, the Central Bank, the Bank of China and the Bank of Communications will undertake the repayment of principal and payment of interest of these bonds.

## DAILY NEEDS FOR THE PEOPLE

CHUNGKING, Jan. 31 (Central).—To enable the common people in the interior to acquire at reasonable price daily necessities that have become increasingly costly in the past several months, the Ministry of Economy has established a daily necessities purchasing and sales office of which a set of regulations governing its organization has just been released.

Large quantities of daily necessities have been bought by the new office from Shanghai, Hongkong, and other places and are on their way to Chungking for re-sale to the people at cheap prices.

ACUTE DEMAND  
A part of the goods bought by the office, it is understood, will be transported to other south-western and north-western cities to meet the acute demand by the people there.

Goods bought and sold by the office, according to the regulations, are strictly limited to daily necessities. The chief of the office is appointed by the Ministry of Economy.

In addition to the head office in Chungking, a number of branch offices will be established in other important centres in order to better serve the people.

## RICE, WHEAT, COTTON, SILK SEIZED BY ENEMY

CHUNGKING, Jan. 29 (C.I.C.)—Approximately 3,000,000 to 4,000,000 bags of rice and wheat, 4,000,000 piculs of cotton, and \$3,000,000 worth of silk were seized by Japanese in "occupied" territory during 1939, according to figures in a recent issue of the Trade Fortnightly published by the Foreign Trade Commission.

Rice monopolies were enforced by the enemy in such centres as Nanking, Chinkiang, Wush, Soochow, Hangchow, Kashing, Sungkiang, Changshu, Wuhu, Anking, Kiukiang and Shanghai. Chinese rice dealers had to approach the Japanese authorities of their puppets for purchasing and transportation permits and pay heavily for them.

In addition they were required to pay five per cent transit duty besides the 40 to 50 per cent business tax for each bag of rice. In view of such heavy taxation, many Chinese rice merchants gave up their trade as hopeless.

Similar measures were used by the Japanese for the monopoly of Chinese wheat in the "occupied" territory. Wheat tax collection and purchasing agencies were set up at such centres as Pengpu and Pakow. In the meantime, most of the flour mills operated by Chinese merchants in Pengpu, Nanking, Chinkiang and Wush were seized by the enemy.

Rice and wheat collected from Yangtze ports by the Japanese were shipped first to Shanghai and then to North China, "Manchukuo" or Japan by way of Tientsin. Such shipments averaged 600,000 to 700,000 bags each month in 1939.

### CONTROL OF COTTON

For the control of cotton, so vitally needed in Japan, the Japanese puppet government in Peiping in November, 1938, promulgated and enforced a set of regulations banning the exportation of cotton to any place except Japan.

Those ignoring this ruling are subject to three years' imprisonment or the payment of fines up to \$10,000.

Half of the total amount of cotton seized by force was used in Japanese cotton mills in Shanghai.

The other half, 2,000,000 piculs, was sent to Japan. In 1938 Nipponese cotton mills maintained 1,112,076 spindles and 15,875 looms. Chinese cotton mills in Shanghai seized by Japanese totalled 282,472 spindles and 2,954 looms. The other half—2,000,000 piculs—were exported to Japan.

Chinese silk filatures seized by Japan are listed below:

Place	No. of Filatures	No. of Wheels
Shanghai	3	708
Wush	9	2,554
Soochow	19	3,656
Hangchow	22	4,030
Total	53	10,948

After ruling steady, the market improved on some Trade enquiry.

NEW YORK COTTON: There was a broadened demand, but Southern selling was noticeable. Prices closed firm on fears of inflationary possibilities, while a large sale of goods, inducing more price-fixing, aided the market.

NEW YORK RUBBER: The market was steady, being largely the reflection of the firmness of the primary markets. The shipments for 1940 are estimated at 58,000,000 units, slightly more than in 1939. Stocks are low.

CHICAGO WHEAT: The market was easy on early local selling. Prices were steady later on less pressure and better commission house demand.

NEW YORK STOCKS: Previous close, 146.26; Today's close, 145.63; Change, off .63.

**REDRAWN NAZI MAP****Protested By Swiss Who Speak German**

BERNE. — German atlas publishers printing maps under the National Socialist regime have drawn protests from the Swiss in the past and now they've done it again.

Their programme calls for assembling or drawing all Germanic peoples in the Reich or at least into National Socialism, and they forget that the Swiss Germans aren't interested.

The "Knaup" atlas, printed in Berlin, carries a map in its new edition headed "Germans living outside the frontiers of the Reich"—and the map includes German Switzerland in that group. To drive the point home, the atlas states that "there are three million Germans living in Switzerland."

The Swiss objected, in their newspapers and by word of mouth, to being called Germans. "Let them come here, those Nazi map-makers, let them come and listen to what we think, and they'll learn we're Swiss, not German," said the Zurich Volksrecht, a German language newspaper.

## SETTLEMENT OF DISPUTE WITH GUATEMALA

LONDON, Jan. 31 (BWS).—With  
the object of settling their dispute  
with Guatemala, arising out of  
their alleged non-fulfilment of  
Article Seven of the Anglo-Guatem-  
alan Convention of 1859, H.M.  
Government has instructed Mr.  
Leche, representative at Guate-  
malan City, to inform the Guate-  
malan Government that if they  
are willing to reconsider their  
previous refusal to submit the  
controversy to the Permanent  
Court of International Justice,  
H.M. Government would be happy  
to agree that the Court should  
deal with the matter under Ar-  
ticle 38 of its Statute which enable  
the Court to take into account  
questions of equity when giving  
its final decision.

## Y.M.C.A. DEBATE

By nine votes to six, the mo-  
tion that economics is the most  
important factor in warfare was  
upheld by the floor at a debate  
held at the European Y.M.C.A.  
last night.

The speakers for the motion  
were Mr. H. Cole and Mr. J. Hen-  
derson, and for the opposition,  
Mr. C. Barker and Mr. J. Allsopp.  
Mr. W. J. Ashton was in the  
chair, and Mr. Eastgate acted as  
time-keeper.

In spite of the fact that  
they played only nine men for the  
first ten minutes, the Royal Scots  
easily disposed of the University in  
the second Division Football League  
yesterday by four goals to nil.

## DEFEATED BY ODD GOAL AT HOCKEY

### Scratch Club Team Play Up To Form

A scratch Hongkong Hockey  
Club XI, playing up to form,  
did well to lose by only the  
odd goal in three to the  
Kumaon Rifles Battalion 1st  
XI in a friendly hockey match  
played at King's Park yester-  
day.

The Kumaon were short of two  
of their regular first team, and  
Club short of four. The game was  
scrappy in parts but the standard  
of hockey reached was quite high.  
In the Kumaons' attack, Partap  
Singh was in fine form, but the  
whole forward line were weak in  
front of goal. The Club forward  
line, with a substitute from the  
Kumaons, Ram Singh, in their  
ranks, proved quite effective.

Of the defenders, W.A. Reed,  
in the pivotal berth for Club,  
was outstanding.

Carey opened the scoring for  
Club midway in the first half, the  
ball actually going into the net off  
a defender. Partap Singh equi-  
lised before half time, and also  
scored the winning goal in the  
second half.

The teams were:  
Kumaon Rifles: Hira Singh;  
Gussain Singh, Nawal Singh;  
Krishna Singh, Lal Singh, Bishan  
Singh; Capt. Loch, Tirok Singh,  
Narain Singh, Partap Singh and  
Sher Singh.

Club: V. M. Benwell; E. C.  
Wakefield, E. V. Reed; J. L. Black-  
ham, W. A. Reed, J. E. Potter;  
Ram Singh, D. de S. Carey, G. E.  
R. Divett, B. I. Bickford and R.A.  
Bates.

## PASSENGERS

Mr. T. Terhonne and Mr. and  
Mrs. N. A. Meurer were arrivals  
from Batavia yesterday by a  
Dutch ship. Both the gentlemen  
are in the timber trade.

Mr. M. Sterental, a Rumanian  
businessman, was an arrival in  
Hongkong yesterday from Kobe  
by a French liner.

## CAMP RIOT CASE

Hearing of the case for the pro-  
secution in respect of 27 Chinese  
soldiers, internees at the Argyle  
Street Camp, who are charged  
with riotous conduct and resis-  
tance to police officers on Jan.  
12, was concluded at the Kowloon  
Court yesterday afternoon.

Statements in their defence  
were taken from seven of the de-  
fendants, after which further  
hearings was adjourned to next  
Wednesday morning. Mr. E. H.  
Williams, Crown Counsel, is con-  
ducting the case for the prosecu-  
tion.
